MEMORANDUM FOR THE DIRECTOR

1. This memorandum recommends action in Paragraph 3.
2. Bill Hauck of the American Legion says that their National Commander, Preston J. Moore, will be in Washington on October 21, 22 and 23. He would like to come to visit with you accompanied by Mr. Hauck at a time of your selection during the forenoon of Tuesday, October 21 or at any time of your selection in the forenoon or in the afternoon of October 22 or October 23. He has luncheon engagements on all three days. Mr. Hauck would like, if possible, to get an appointment set by tomorrow so that they can make other appointments with Government officials. He says he believes an half hour would suffice but that the time element will be completely in your hands.
3. RECOMMENDATION: That you see Commander Moore at your convenience on one of these three dates and that 45 minutes be allotted for his visit.
